

Peninsula Soccer Association – Annual General Meeting

Thursday March 30,2006

Mary Winspear Centre

ATTENDEES:

Board Members: Lauren Bicknell, Terry Bouthillier, Alex Campbell, Helen Christiansen, Dave Erb, Kim Erb, Sharon Guenther, Terri O'keeffe, Claire Rettie, Mike Schmidt, James Stelck, John Teeney,

Members: See attached

Guests: Brett Hyslop

1. President, Dave Erb called the meeting to order at 7:05pm

2. Agenda.

MOVED (Claire Rettie) **2nd** (Lauren Bicknell) to accept the agenda. **CARRIED**

3. Review of last minutes.

MOVED (Helen Christiansen) **2nd** (Mike Schmidt) to accept the AGM minutes of March 17, 2005. **CARRIED**

4. **a). Presidents Report** – Dave Erb (see Appendix – Director's Reports). Dave also thanked all the Board Members for their hard work this year.

b). Vice President/Field Coordinator Report – John Teeney (see Appendix – Director's Reports). John made special mention of Debbie McRae who did an outstanding job of scheduling the fields and then with the full field referee scheduling later in the season.

c). Treasurer's Report. – James Stelck

Reviewed and discussed financial statements for year ended February 28, 2006 and reviewed budget for 2006-2007. Questions and highlights discussed as follows:

- Surplus this year was due to unexpected revenue sources (Thrifty Smile Cards -\$16,000 and Volunteer cheques cashed - \$8,000) and spent less on field repairs.
- Deposited \$250,000 to Memorial Park Society to cover Blue Heron Development.
- New expenditures for 06/07 are \$60,000 for maintenance at Blue Heron and \$38,000 for interest charges for Blue Heron loan. \$15 added to registration fee to help cover the interest charges and hope to increase income from Thrifty Smile Cards. We will need to make a concerted effort to get our members using their card all the time.
- No charges for storage fees for this fiscal as we have not received the bill yet. These charges will show up in next years expenses.
- Training & Development – noted discrepancy between what is shown in the financial statements and what Claire shows in her report. The F/S are correct.
- Expenditures in the equipment budget are high because some referee equipment was allocated to this budget. Also, spent \$8,000 on uniforms, bought goals for Rotary Park, men's team uniforms, Spring League uniforms and travel bags, nets and flags for all older teams.
- Budgeted amount for gyms is less than last year as we're hoping to have more teams practicing outside.
- Volunteer deposit is gone up to \$75

MOVED (Claire Rettie) **2nd** (Sharon Guenther) that the financial statements for the year March 1, 2005 to February 28, 2006 be approved as presented. **CARRIED**

MOVED (Lauren Bicknell) **2nd** (Terry Bouthillier) that the budget for the year March 1, 2006 to February 28, 2007 be approved as presented. **CARRIED**

d). Registrar's Report – Dixie Allen

Registration form is now posted to our website. Can be printed off and forwarded to Dixie at 6310 Elaine Way. Dixie will be doing one more registration at the Recognition Night on Wed. April 5th at Mary Winspear from 5:15 – 6:15pm.

- Spring League teams need to be declared by tomorrow. We have about 70 players signed up.

e). Governance Committee – Claire Rettie (see Appendix for report)

f). Technical Development Committee – Claire Rettie (see Appendix for report) Claire also noted that there were 19 times when teams did not show up. This was a loss of \$950 in development time.

g). Capital Projects Committee– Dave Erb (see Appendix for report)

Lorne Shaw thanked Dave and the committee members for their work on this project so far.

h). Fundraising Committee – Alex Campbell

- Need to raise dollars so we can repay the loan for Blue Heron Project. We don't want to leave a debt for future generations. Committee is looking for new sponsors and encouraged everyone to talk to business people they know about supporting our club.
- Peninsula Review is supporting us by giving us space in their newspaper every week which we can use for team news or advertising.
- Peninsula Coop/Save on Gas sponsored Recognition Night.
- Looking at other options for fundraising. Contact Alex or Kim Erb if you can assist.

i). Technical Development – Brett Hyslop

Brett thanked Claire Rettie for doing a great job at organizing and administering the technical development sessions this year. Some problems with sequencing this year which will be remedied next year when we have more fields available. Coaching education is very important and must get more coaches out to the coaching clinics. Suggested that we set goals for coach development and should set up a process to monitor and evaluate coaches. Only way to do this is to get out and watch them.

j). Brick Program – John Teeney

Goal is to sell 1000 bricks at \$100 each to support Blue Heron Development. Bricks will form part of a wall outside of the clubhouse; similar to the Bevan Street Pier in Sidney. We also need a mason to put them up. Contact John Teeney if you can assist.

k). Player Assessment & Placement Committee - Mike Schmidt (see Appendix for report)
Mike said the goal of the committee was to streamline this process and make it fair and transparent. Major change is that there will be no assessment sessions for tiered teams this year to determine who will be in the “Gold pool”. Any players will be able to tryout. Coach selection will be done prior to try-outs. Try-outs will be run by the head coaches of the gold, silver and bronze teams with assistance from Brett or one of his reps and one other independent person from the club. Coaches for U12 and up teams will also fill out year end assessment forms which may come into play if the committee needs additional information.

l). Uniform/Equipment Coordinator – Kim Erb (see Appendix – Director’s Reports).

5. Questions from the membership – none.

6. Elections

Treasurer	April Ogloff nominated by Claire Rettie, 2 nd Lauren Bicknell	Acclaimed
Secretary	Terri O’Keeffe nominated by John Teeney, 2 nd Lauren Bicknell	Acclaimed

Board of Directors. The following were nominated and acclaimed:

- Sarah Higgs – Terry Bouthillier, 2nd John Teeney
- Val Scott-Moncrief- Terry Bouthillier, 2nd Terri O’Keeffe
- Alex Campbell – John Teeney, 2nd Loren Shaw
- Lauren Bicknell – Terri O’Keeffe, 2nd Mike Schmidt
- Anne Buxton - Stuart Common, 2nd Al Blaskovich
- Mike Schmidt – John Teeney, 2nd Lauren Bicknell
- Sharon Guenther – John Teeney, 2nd Terry Bouthillier

Stuart Common nominated but declined.

7. Meeting **ADJOURNED** at 9:03pm

APPENDIX – Director’s Reports 2005-2006

PRESIDENTS REPORT – Dave Erb

This year has been very exciting for Peninsula Soccer. We have seen our registration keep steady with about 1100 youth and about 40 adult players. We have seen success on the field with skill levels rising at all ages and teams doing well in league and District Cup. We have one team, U16 GB that is waiting to see if they will move on to the BC provincial championship, but a protest is keeping us all in suspense. We had a great Mini’s Jamboree last weekend and it was wonderful to see so many kids out enjoying the game of soccer. Thanks to the many volunteers who stepped up to make it happen.

News from LISA and BC Soccer - The Super 8 division will remain tiered; gold and silver. In the 2006/2007 BCSA has voted to mandate that there will be no BC championship for U12. This will make clubs change to a super 8 format at U12.

From time to time we see the results of kids working hard at their passion for this sport. It gives me great honor to announce that three Peninsula Players have been selected to play on Provincial teams; Katrina Schurman U13 Girls Keeper, Danielle Debruin U15 Girls and Jonah Fell U15 Boys. Congratulations.

Goals completed - At the beginning of the year we set a number of goals and I’m pleased to announce that we completed or made significant head-way with all of them plus more:

- A new contract for Player and Coach Development was negotiated with Brett Hyslop. Claire Rettie along with Phil & Val Wakefield did an outstanding job of managing the development sessions to ensure all teams had equitable access.
- We continue to get information out directly to coaches and managers using email distribution lists, we’ve continued with our newsletter, we now have “Peninsula Soccer News” in the Review every week and we’re working at upgrading our website.
- Mike Schmidt and his committee members reviewed our policies on player assessment and placement and we’re making changes to ensure the process is fair and transparent.
- We reviewed and updated our very old Constitution & Bylaws and developed a committee structure which will spread the workload
- We broke ground at Blue Heron on the biggest project in our club's history, erected the lights, have begun work on the field and work on the clubhouse will begin shortly. This will help us to build an even stonger sense of identity and raise our profile in the community.
- Rotary Park Home for the Mini team games - completed
- Adult Peninsula Soccer teams - we now have an over 35 men’s team
- We have a new head Referee, Omar Masood and we will continue to develop our youth referee and adult programs.

For the coming year:

- Complete the Blue Heron Project and continue with our fund-raising efforts to repay the loan for this project.
- Continue to build & support our Mini’s program by focusing on Coach development.
- Look at ways to keep our older players interested and motivated by offering them different options for development, special tournaments etc

- Look at how best to meet the technical development needs for female players.
- Continue to improve communication and understanding within our club.
- Create lighted training facilities by working with our local municipalities and parks
- Work with World Cup Soccer by supporting the programs through scheduling and development
- Annual Mini tournament in October - we will apply
- Hosting of district championship Tournament - we will apply
- Creating a Peninsula in house academy - details to be worked out
- Hosing a game/training for the 2007 FIFA World Championship

For 2007 and beyond:

- Kick off to soccer; Dance and silent auction
- Hosting an adult summer tournament
- Invite a National men's or women's team to play at our club
- Create a Coaches Club
- Annual Mini tournament in October
- Fund raising for an artificial turf field

Throughout the year we had several changes on the Board. We had 4 Board Members who were no longer able to serve for various reasons but were pleased to have Mike Schmidt, Chris Steven, Sharon Guenther and Stuart Common step in to those positions for the balance of the year.

Stepping down from last year's executive is James Stelck who has provided tremendous service to our club in his capacity as Treasurer for the last 2 years. We will also be losing Claire Rettie and Chris Stevens. Claire has done an outstanding job with Brett's contract, player development scheduling and Governance Committee chair. Thank you Claire for your time, expertise and commitment you have given to the Board and the club this past year. And although Chris is stepping down she won't be going far as she will continue to bring her enthusiasm to the Fund raising committee.

The biggest and most important success of all this year was that over 1,000 kids got to enjoy the great game of soccer on the Peninsula this year. Thousands of hours were put in this year by our coaches, assistant coaches, managers, coordinators, referees, field schedulers, referee schedulers, field walkers, field liners, linespersons, and dozens of other volunteers in the club. Without your collective efforts the opportunity for these kids to enjoy soccer would just not exist. It's a privilege for me to be involved with this club and I applaud all of you for your efforts and support throughout the year. There's still lots to be done and if you're not already involved I encourage you to get involved with one of our committees or contact Volunteer Coordinator, Sharon Guenther to find out how you can lend a hand. Together we can build anything. Let's build a legacy for our kids, kids, kids!!

Yours in Soccer,

Dave Erb,
President

Sincerely,
Dave Erb, President

VICE PRESIDENT/FIELD COORDINATOR REPORT - John Teeney

Let it rain, let it rain, let it rain. What can I say? With near record rain fall, Blue Heron shut down at the beginning and end of the season and Parkland under water all season, it was surprising how many games actually got played. We had more full field games played this January than last year. The Super 8 fields held up well for most of the year and the Minis used Rotary Park on a full time basis.

Rotary Park - The club spent \$7500 on new drainage at Rotary for the big diamond. At this time it is hard to say weather it was money well spent due to high amount of rainfall. We still had to cancel games on that diamond and move house league games to Stellys one week. The club will not spend anymore money at this time to upgrade the drainage till the new Board reassesses our commitment. Thanks to Terry Bouthillier and Sarah Higgs for their work at managing the fields and concession at Rotary.

Practice Fields - We started and finished the year with two lit practice fields, but the middle part of the year we had four lit fields. For the teams that had an opportunity to use Blue Heron for practices it was a treat to have proper lighting.

We will also have the light standard that blew down at Iroquois replaced for the start of next season.

Thanks to Phil and Val Wakefield for all their work on Scheduling practices and gyms for the last three years.

Looking forward....

For the last ten years that I have been with the club all I have heard is we need better fields and a club house. Next year we will have both. There have been a lot of people instrumental in getting this project started but one person has brought it all together. I would like to thank Dave Erb for the time and effort he has put into this project to make it happen.

Thanks to all the people who make this association run on a weekly basis: Bob Parks, Debbie McRae, Eric Bye, Terry Bouthillier, Sarah Higgs, Stuart Common, Phil and Val Wakefield, Dave Hill, All the Field Walkers, Coaches, managers, referees.

Great Job

John Teeney,

Vice President / Field Coordinator

TECHNICAL DEVELOPMENT COMMITTEE

Chair: Claire Rettie Members: Terry Boutillier, Helen Christianson, Stuart Common, Bill Hinds, Terry O'Keeffe, Shannon Seginson

The technical development committee included Coordinators from the Minis, Super 8, Senior Boys, Senior Girls, the Risk Management chair, the Secretary and the contract manager. This committee met five times during April and May 2005 to address issues, develop a planning cycle, establish Peninsula Soccer Association expectations for their player and coach development sessions, and develop the terms for the contract. The contract, with associated schedules, was brought to the board and discussed in detail prior to being finalized.

As per prior-board commitment, a two-year contract was signed with Brett Hyslop *dba* Pacific West Sports Consultants. The total annual value of the contract including GST = \$18,000.00. The contract manager was the chair of the technical development committee.

This contract included: player development, keeper clinics and coach development sessions. Within each age group, teams were scheduled for the same number of sessions. The annual schedule was distributed in September to all teams with ALL sessions scheduled for Iroquois Park. Scheduling for ALL clinics was done by Phil and Valerie Wakefield their expertise and knowledge ensured a smooth delivery system. Changes to the schedule only occurred due to weather.

In October we held a review session with age-group representatives to get feedback on what was working, how to improve and what to consider for planning next season. Additional information will be captured April 3-4, 2006 and then we will complete the planning for 2006-2007

Total number of hours billed: 343.25

Total no-show hours: 19

Total dollars expended: \$17,162.50

Respectfully submitted

Governance Committee

Peninsula Soccer Association, Annual General Meeting Report

March 30, 2006

Chair: Claire Rettie Members: Sara Bristow and Lauren Bicknell

The governance committee met monthly from November 2005 through February 2006. This committee took instruction from the board to address the following priorities: constitution review, membership structure, privacy policy, dispute resolution policy and policy and procedures audit.

Some, but not all, of this work was completed. The constitution was reviewed in detail and on March 23, 2006 a Special Meeting was held for the membership in order to present, discuss and vote on changes to the association bylaws.

Changes of note include:

- Member voting
- Committee structure, process and responsibility
- Signing and spending authorities

Changes, as approved, were filed with the Registrar of Companies on March 28, 2006. We are waiting for confirmation that changes have been registered. Once that information is received the revised constitution and by-laws will be posted to the website.

In addition, sample codes of conduct and dispute resolution policies were provided to the board for review. The board approved templates to be used to develop: board policies; committee terms of reference and board member job descriptions. The templates will ensure that the Peninsula Soccer Association governance documents are consistent and reflect the work required to manage the growing organization.

Priorities for 2006-2007 include completion of: board member job descriptions; committee terms of reference; board code of conduct policy and Association dispute resolution policy.

Respectfully submitted

CAPITAL PROJECTS REPORT- BLUE HERON - Dave Erb

The Blue Heron project is well under way. Our principle contractor, Shane Smith Construction is involved in all three phases of the project and has dedicated the Construction time for this project.

Phase 1 Field Lighting - Is now complete and for those players, coaches and parents that have used the lights for practices or games, what a difference. I would like to extend special thanks to Glen Stewart from Canem Electric and also a member of our club who has put in a huge amount of volunteer time to get the lights up and running.

Phase 2 Field Construction - Is under way. If you have had a chance to drive by the park you will notice 2 Don Mann excavators, 1 wheel loader and at times the massive Bickford truck - a trailers that haul the sand from Duncan. Dave Hill is the project coordinator for the fields and he has doing an outstanding job. Dave has organized many of the companies to be part of the project and his expertise is keeping this project on time and budget. We are anticipating the field to be seeded by the end of April and ready to play on in the Fall.

Phase 3 Clubhouse construction - Should begin in May. Insideout Planning and Architecture has completed the design phase and are now coordinating with Stantec Consultants Ltd (Structural Engineers), Applied Engineering Solutions Ltd (Electrical Engineers) and Hirschfield, Williams & Timmins Consultants (Mechanical Engineers) to complete their designs and submit working drawings. We have several club volunteers that are working on this project and they need to be recognized; Angus Scott-Moncrieff, Michael Payne, Angus Duncan, Dave Marks, Glen Stewart, Terri O'Keeffe, Dave Hill, John Cove, John Teeney, Steve Holroyd, Lauren Bicknell and Lloyd Guenther. Many more volunteers will be required. As you can imagine the clubhouse will be the most difficult phase involving many trades and volunteers. In the past week we have had meetings with several banks. We had very successful meetings with the Toronto Dominion Bank of Canada and The Imperial Bank of Commerce. We are hopeful in the next week we will be securing our loan.

This is a very exciting time for our club, we are about to complete on of the largest projects any sports association has completed in the Peninsula. We must be very proud our community contractors, volunteers and contributors that are working with us to complete our dream.

PSA Player Assessment Committee – Report U12 and Up

Chair: Mike Schmidt Members: Helen Christiansen, David Hardcastle, Stuart Common ,
Terry Bouthillier

PLEASE NOTE: This is intended as a summary ONLY! Complete information as available on the club's web site and should be consulted.

Goal:

- To establish a well defined and well advertised process for assessing and placing players (returning and new) to the appropriate team;
- Ensure this process is cost effective, manageable and that it will:
 - Provide an effective, fair and transparent player assessment, tryout and placement process for tiered divisions;
 - Provide effective communication to parents and players before during and after the player assessment and placement process;
 - Ensure teams are entered in the correct division;

Tryouts:

- will be held at the U12, U13, U14 levels and U15 as required;
- will involve all coaches for the given age level, independent evaluators from club and outside of club (WCS)
- age group coordinators will be responsible for keeping track of players, tryout results, etc.
- decision on player placement will be made jointly by coaches, evaluators and age group coordinator

U12 Level (Summary – see web site for full details)

1. Hold open tryout for the gold team(s) with the objective to identify those players who will be selected for the gold team(s);
 - a. Player preference (Silver, Gold) to be stated on player registration form;
 - b. Request input from U11 coaches in the form of a completed player evaluation (see attached) to be submitted to and collated by the age group coordinator and a copy forwarded to the Player Assessment Committee prior to completion of District Cup finals;
 - c. All coaches selected to coach at the U12 level will participate in the Gold team tryouts
2. Steps (U12):
 - a. Hold tryouts for the gold team with the objective to identify those players who will make the gold team(s);
 - Three (3) tryout sessions to be held spanning a period of two (2) weeks; players to attend a minimum of two (2).
 - b. The players who are not selected at this stage will automatically go to the silver team(s);
 - c. There will be no tryouts for the silver team;
 - d. Coach assignment to team at completion of tryouts;

U13 Level (Summary – see web site for full details)

1. Hold open tryouts for the gold team followed by open tryouts for the silver team;
 - a. Player preference (Bronze, Silver, Gold) to be stated on player registration form;
 - b. Request input from coaches from all tiered teams in the form of a completed player evaluation (see attached) to be submitted to and collated by the age group coordinator and a copy forwarded to the Player Assessment Committee prior to completion of District Cup finals;
 - c. Notice for tryouts to be circulated by email and posted on web site;
2. Steps (U13):
 - a. Hold tryouts for the gold team with the objective to identify those players who will make the gold team;
 - o Three (3) tryout sessions to be held spanning a period of two (2) weeks; players to attend a minimum of two (2).
 - b. The players who are not selected at this stage will automatically go to the silver team tryouts;
 - c. Hold tryouts for the silver team with the objective to identify those players who will make the silver team;
 - d. Players who do not make either the silver or the gold team(s) will be placed on the bronze team or other team, including playing up a year level, as appropriate based on numbers and ability.

U14 and Up Level (Summary – see web site for full details)

As there is a Metro / Select program for U14-U16 players ***it is necessary to wait for the selection of Metro / Select teams prior to making a final selection for the gold, silver and bronze teams.***

1. Hold open tryouts for the gold team followed by open tryouts for the silver team;
 - d. Player preference (Bronze, Silver, Gold) to be stated on player registration form;
 - e. Request input from coaches from all tiered teams in the form of a completed player evaluation (see attached) to be submitted to and collated by the age group coordinator and a copy forwarded to the Player Assessment Committee prior to completion of District Cup finals;
 - f. Notice for tryouts to be circulated by email and posted on web site;
2. Steps U14-U18 ***as required for each age level:***
 - a. Hold tryouts for the gold team with the objective to identify those players who will remain in the gold pool until after the Metro / Select rosters are announced;
 - o Three (3) tryout sessions to be held spanning a period of two (2) weeks; players to attend a minimum of two (2).
 - b. Hold tryouts for the silver team with the objective to identify those players who will remain in the silver pool until after the gold team is selected; NB anybody from the gold pool who does not make the gold team after Metro / Select roster selection is automatically placed on the silver team;
 - c. Players who do not make either the silver or gold teams will be placed on the bronze team or other team, including playing up a year level, as appropriate based on numbers and ability. There will be no tryouts for bronze teams.

Explanation: Metro / Select teams are typically announced in the June / July time frame. Players who try out for Metro / Select also try out for their respective gold teams. If they do not make the Metro / Select team(s) they will be placed on the gold team. For this reason PSC cannot announce the player placements in the U14 and up level until after the Metro / Select team rosters are announced. Unfortunately there is no way around this.

Playing Up (Summary – see web site for full details)

PSC does not encourage players to play above their age appropriate level (i.e. in a division of older players). However the club recognizes that in exceptional circumstances this may be warranted.

- The decision to approve an applicant must be fair to all players affected by the decision, specifically to the players on the age appropriate team as well as to the players on the team in the division above (age+1 team).
 - The decision to approve an applicant cannot be made at the expense of another player at the age+1 team.
- 1. Applicant must be registered with the club for the season for which the application is being made;
- 2. The parent(s) of the applicant must submit, in writing, a request for the player to play in the division above their age level, thereby giving their approval for their child to play at a higher level if approved by the club.
 - a. This request must be received by the deadline for applying to play up.
 - b. The following information must accompany the application:
 - i. Reason(s) for applicant to play up one level;
 - ii. Summary of playing experience, academy programs, etc.;
 - iii. Name of previous coaches / teams (for applicants new to PSC, a contact name, phone and email at previous club is requested as reference);
 - iv. In the event the player is primarily interested in playing as a goal keeper this must be indicated on the application.
- NOTE: A parent should not approach a member of the PSC Executive, technical director, age group coordinator, coaches or managers to seek approval nor should any age group coordinator, coach or manager actively seek to recruit players from a lower level.
- Parents are however, encouraged to seek the opinion of the player's previous coach(es) regarding the player's ability to play at a higher level prior to making the application. Parents are also encouraged to seek advice from the club as required.
- 3. The player must attend tryouts for their age appropriate level as well as the age+1 level they are applying to play at.

Additional Notes: We would like to thank all those involved in the process of developing the guidelines for the 2006-07 player evaluations. The guidelines from other clubs were reviewed and several people both inside and outside the club were consulted.

Submitted on behalf of the Player Assessment Committee

Mike Schmidt

EQUIPMENT AND UNIFORMS - KIM ERB

As always another busy year and thanks for your patience and cooperation. Some highlights from this year:

- We purchased another 30 uniforms at a cost of \$50 per uniform. In the past 3 years we have spent over \$60,000 on new uniforms and have upgraded uniforms from the U-18's down to most U-11 teams.
- Equipped all U-12 teams with traveling bags, nets, corner bags and first aid kits.
- Purchased mid-sized goal posts at a cost of approx \$4,000
- Purchased a large number of new balls, pinnies and cones
- Numbered all the shirts for U12 and up teams.
- Labelled all of our balls with a Peninsula logo to make it easier to identify and keep our balls.

For next year the budget for equipment and uniforms has been reduced by 50% as we put more resources into our Blue Heron Project. We will still be able to purchase another 30-50 new uniforms which will allow us to get the rest of the U11 teams and some of the U-10 teams into updated uniforms. However, we really need everyone's cooperation in taking good care of our equipment and uniforms.

We realize that some of our older uniforms are showing their age and we ask teams to be patient. A reminder that teams cannot go out and purchase their own uniforms. Teams playing for Peninsula **MUST** wear their club uniforms. We will also be asking team's next year who are buying additional items like team pants, jackets etc to keep with our club colours. We'll be adding to our clothing item sales these sorts of items so we can ensure that our club name, spirit and identity is displayed to the community in a consistent manner.

Equipment & Uniform Returns will take place at the Storage Locker on MacDonald Park Rd just past Slegg Lumber at:

Apr 21 from 6pm to 8pm

Apr 22 from 10am to 2pm

All uniforms must be clean and any tears sewn. You **MUST** have your team list showing each players name and phone #, the # assigned to each player, the size of shorts assigned to each player and a tick mark beside both shirt and shorts to indicate that both have been returned.

Equipment Return Checklist:

Balls and ball bags, rebar, goalie gloves, goalie shirt, pinnies, cones. And for U-12 and up teams: goal nets, net bags and flags

Please be prepared to wait in a line up that weekend. We will try to process everyone asap but how quickly we go will depend on how well teams have their items organized when they arrive. Bring along your smiling faces and we will be there with ours as well.

If any teams are still doing tournaments they must notify Kim or Sharon.
